Customized Color can be ordered

LED Aluminum profile 1~3meter

**PC Cover**

Endcap (optional)

**HB hanging bracket(optional)**

Service Environment and Installation:

Step 1
Fix the end caps to wardrobe/closet with M3*16 screws.

Step 2
Put LED profile R003 through the hanging bracket, and then fix both the side in the metal endcaps.

Step 3
Fix the hanging bracket with M3*12 screws.
(P.S.: We suggest that each 50cm length should use 1PC hanging bracket)

Step 4
Connect power supply.
